

The KFC Times News Letter

They are new every morning; great is thy faithfulness.

Lamentations 3:23

KIDS FOR CHRIST is celebrating our 10th Annual Event this year! What a great milestone! The kids who participated in the first KFC event, in 2008, are now in colleges. Praise be to God!

We came a long way in this ministry. This 10th Anniversary Season is an important event for all of us. Ten years may not seem like a long time. However, it meant a lot of Saturday afternoons, Sunday evening, and weekdays hours, spent working for the Honor of our Lord, Jesus Christ!

God allowed us to create this strong platform for our kids in order to embed the word of God in their little hearts. For the past 10 years we labored for KFCNJ with God-given energies, commitment, and passion. This 10th year celebration we are also working with same dedication to truly make this a memorable event. In these 10 years, many things have changed. These changes include those who have worked with us and how our organization has evolved. But after 10 years, God's vision of His work and His promises have not changed for Kids For Christ.

Every year the number of participants increases. KFC has surpassed the 100th competitor from more than 5 different states! A big thank you to all the parents and members, working with each other. Their volunteered efforts, support, and teamwork alongside with each other, have enabled KFC to be the success it is today.

With support like this, children were able to show forth their talents and abilities for the Lord.

Friends we need your prayers your support, your time and your treasures to make this year's KFC event a grand success. Your support makes it possible for our organization to exist.

Kids for Christ has various monthly events to bring all kids together to grow and serve the kingdom of God. These various activities include:

1. BAKE SALES (To raise start up funds)

9. PERMANENT PLACE: We would like to have a permanent place to conduct Kids For Christ activities such as praise and worship concerts, recreations, sports and fellowship. We need a place to teach them evangelism. We want to instill a strong doctrine with special sessions from evangelistic speakers and programs to motivate the youth and young families. Our goal was and is, to bring a great movement of spiritual enrichment among our next generation.

Will you help us in praying and supporting for this big vision?

Dear friends, in order to make these activities a reality, we do need lot of resources. Your Tax-deductible donations make a huge difference in our ability to bring you the best KFC 2017 on June 3rd, 2017. Thank you in advance, for your generosity in making this 10th KFC possible. We are asking for your support to

help our organization this year with a donation to our annual fund-raising campaign. Each year, our organization assists our children in our communities. Without your donation, this would not be possible. Donations help sustain our organization and benefit the KFC community which we serve.

We are counting on your support. We will not be telephoning you, but we do hope that you will respond positively to our written request. Remember that your gift may be tax-deductible in any form, as a one time gift or monthly and will be recognized.
